## WORK EXPERIENCE

### Frontend Web Developer

**Gemsby** [ 15/06/2022 – 12/10/2023 ]

**City:** Online | **Country:** Canada

As a dedicated frontend web developer at GemsBy, I've played a pivotal role in enhancing the e-commerce platform's digital presence and user experience through the seamless integration of innovative frontend features and efficient payment solutions.

- Developed UI components for better user engagement
- Integrated PayPal payment system
- Created a dynamic product showcase
- Enhanced user dashboard for improved usability

### Web Applications Developer

**Tristan Mortan Wild** [ 23/10/2023 – 05/04/2024 ]

**City:** Sydney | **Country:** Australia

With extensive experience in modern web development, I worked with Tristan Mortan Wild on a project inspired by Kleinanzeigen—a peer-to-peer marketplace where users can donate or sell their items. My role centered on frontend development, leveraging Firebase for backend services, including secure user authentication.

#### Key highlights:

- Contributed to the development of a peer-to-peer marketplace platform inspired by Kleinanzeigen
- Developed and maintained a responsive, user-friendly frontend interface
- Utilized Firebase for backend support and implemented secure authentication
- Ensured code clarity, efficiency, and maintainability throughout the project

### Level 2 Seller – MERN Stack Developer

**Fiverr** [ 04/02/2019 – 10/10/2024 ]

For more than five years, I've been delivering MERN stack solutions on Fiverr, maintaining a flawless 5-star rating.

- Accumulated **125+ 5-star reviews**
- Offered end-to-end project development, from concept to deployment
- Consistently met deadlines with transparent communication
- Built scalable and secure web applications for diverse clientele

## Top Rated – MERN Stack Developer

**Upwork** [ 09/09/2019 – 10/10/2024 ]

As a Top Rated developer on Upwork, I leverage my extensive MERN stack expertise to help global clients achieve their project goals.

- Maintained a 5-star ranking through high-quality deliveries
- Successfully handled both short-term tasks and long-term collaborations
- Employed best practices to ensure reliability and scalability
- Provided consultative insights to optimize client requirements
